

OUT & ABOUT

ADNZ

The Transitional Cathedral was the venue for this year's ADNZ / Resene Architectural Awards gala dinner on 30 October. Darryl Church took out the supreme award for the health and science building at Waiariki Institute of Technology. Local architects Cymon Allfrey and Robert Weir were also winners on the night for EPL and Rockhill Residence respectively. Over 200 guests enjoyed a sit-down dinner and danced the night away with grooves from 10-piece covers band, Sound Sensation.
