

OLD AND NEW

APA Architects' design of Tanatana Marae in Waimana, Bay of Plenty, has recently been awarded the 2016 Supreme ADNZ Resene Architectural Design Award. Home to Ngāti Rere, a hapū of Ngāi Tūhoe, the building is one of 12 marae along a 20km stretch of road in the heart of Tūhoe country. ADNZ's CEO Astrid Andersen says, "It is inspiring to see a striking contemporary design, which is beautiful in its simplicity, fulfil the requirements of a complex brief. The design is a celebration of life, death, traditional life and a nod to the future."
